My name is Leonor. I am French and I am ten years old. I haven't got any brothers or sisters but I have got a beautiful cat. It's very sweet and tender. It was a present from my grandmother last year. She has got two other cats and I always wanted to have a cat to look after him. His name is Potty. He is two months only.

My mom is a nurse and my dad is a teacher. We live in a nice house in the country. I love playing with my dolls and visiting my grandparents who live not far from me. There is an orchard at the back of our house and we grow tomatoes and lettuces. Sometimes we have cucumbers and potatoes. In my house we don't eat much meat because we prefer eating vegetables. They are good for your health. Sometimes we eat fish. I go to school and my favourite subject is Geography. I would like to be a teacher like my dad. I think knowledge is important. My teacher is a tall woman. She has been a teacher for twenty years so she knows her job. Sarah is her name.
