## A YEAR IN MY COUNTRY

Hi Friends! I'm Peter from Hungary. I go to a primary school. I just want to talk about a year in my country. School starts on 1<sup>st</sup> September. (Children are not very keen on it!) It's often sunny in the beginning of autumn. And it is a rich season because trees are full of fruit. But in October and November it's usually cold and windy. It rains a lot and it's often foggy. The leaves of the trees fall down.

Winter is usually very cold. The temperature falls below zero. It often snows and there are stormy winds. It is good to sit inside by the fire when the cold wind is blowing outside. There are usually hard frosts. Many people like winter because of winter sports like skating, sledging, skiing, snowboarding etc. In Hungary there aren't very high mountains so people go abroad skiing.

I like spring a lot because after the long cold, wet and foggy days it is warm again. Trees and bushes are full of blossom. You can see lovely spring flowers everywhere. The weather is quite changeable especially in April. It often rains and there can be hard winds too. Sometimes it's cloudy but most of the time it is warm and sunny.

My favourite season is summer. It is very hot in July and August. Sometimes there are quick showers or rainstorms with thunder and lightning. There are lots of fruit in summer.

Children prefer the summer to all other seasons because there is no school and we can take our holidays
