### Noble Faces and Phases

Do you know there is a royal family in the UK? A royal family are the relatives of a queen or king. The head of the family is Queen Elizabeth and her successors to the throne are her son Charles, her grandson William, and her great-grandchildren George, Charlotte, and Louis.

Traditionally, royals marry other royals, but times change, and some royals marry commoners. For example, Prince Harry's wife is actress Meghan Markle. Today, the royals are closer to regular people like you and me. Prince Harry and Meghan, for example, quit their royal roles, and have a new life.
