3. **And here we have to read the text and answer the questions below.** (y acá tenemos que leer el texto y responder las preguntas de abajo).

There are twelve months and four seasons in a year. The shortest month is February. It has got 28, or 29 days. In spring there are lots of flowers and leaves on the trees. In summer, it is usually very hot and you can go in the sea for a swim. In autumn, there are no leaves on lot of trees. They are on the ground. In winter, the weather is cold and it sometimes snows.

**a. Which the shortest month ?**

---

**b. What is the weather like in summer ?**
